

**AGREEMENT TO PURCHASE SENSUS VEHICLE GATEWAY BASE STATION (VGB)**

The City of Harrisburg and the Lincoln County Rural Water System, Inc. wish to enter into an agreement to jointly purchase a Sensus VGB for the purpose of updating their capability to read replacement radio read MXU's.

The City of Harrisburg and Lincoln County Rural Water System have agreed to invest in the VGB equally in the amount of approximately \$9100 each plus applicable taxes from HD Supply in Sioux Falls, SD.

Harrisburg and LCRWS will be equally responsible for updates, maintenance and repair of the VGB.

Harrisburg and LCRWS each agree to advise the other party of this agreement of any maintenance or repairs needed whether they or routine or caused by damage to the unit.

If either party in this agreement wish to sell their interests in the VGB the other party may purchase the other party's ownership realizing the unit will depreciate fully in 12 years or \$1500 annually total or \$750 each party annually.

This agreement is between the City of Harrisburg and Lincoln County Rural Water System, Inc. and cannot be transferred to a third party.
